

Profile of Participating Schools and Districts

74 teams representing diverse schools and districts were selected to attend the Raising Blended Learners workshops in the fall of 2015. Key participant demographics include:

- 72% are district teams, and 28% school teams.
- 88% are from traditional public schools and 12% from CMOs.
- 28% are located in large cities, 27% in rural areas, and 18% in small suburbs.
- The majority are from districts with less than 100,000 students, the smallest with 130 students and the largest with over 215,000 students.
- The percentage of economically disadvantaged students among participants ranges from 41% to 94%, with an average of 68%.
- Participants are from 17 of the 20 regional Education Service Centers, with the majority from regions 4, 10, 11, and 13.
